How To Measure

- CHEST:** Measure horizontally around the fullest part of your chest.
- LENGTH:** Measure the longest part of the torso, beginning from the shoulder collar.
- HIPS:** Measure at the widest point of the hip.
- WAIST:** Measure around the narrowest part (typically where your body bends side to side), keeping the tape horizontal.

If you cannot decide between two sizes, please choose the smaller size for a tighter fit or the larger size for a looser fit. Please note production is fully custom. ±1 inch is considered nominal.
