How To Measure

CHEST/BUST: Wrap the tape around the fullest part of your chest, keeping it level.**LENGTH:** Measure from the top of your shoulder down to your desired length.**WAIST:** Find the narrowest part of your waist (where you bend) and measure around it.**OUTSEAM:** Measure from the waist down the outside of the leg to the ankle or desired length.**INSEAM:** Measure from the crotch down the inside of the leg to the ankle or desired length.

If you cannot decide between two sizes, please choose the smaller size for a tighter fit
or the larger size for a looser fit.

All measurements are subject to +/- 1 inch difference
